## TRANSFER FUNDS

by email or text message  
with *Interac*® e-Transfer

### INTERAC® e-Transfer

Now there's an easier way to share money through online banking! With INTERAC® e-Transfer, you can send or receive money to or from anyone with a Canadian financial institution account.

- All you need is their email address or mobile phone number.
- There is no need to share any personal financial information.
- For a \$1.50 E-Transfer Network Fee to send an e-Transfer it's a great alternative to cheques and cash.
- Your recipient will receive an email and/or text message notification when you send them a transfer. In a few easy clicks, the money is in their account.
- There is no fee to receive an e-Transfer.

### Security

Your money never actually travels by email or text message - they are only used to notify the recipient and to provide instructions on how to deposit the money. Innovation and your recipient's financial institution transfer funds using established and secure banking procedures:

- Encryption technology
- Confidential user IDs and passwords issued by financial institutions
- A secure login process
- A security question and answer to ensure only the intended recipient receives the money
