

# Equipment & Building Leasing

\*in co-operation with Calidon Equipment Leasing

Agricultural equipment is expensive but necessary for running the kind of operation that can compete in the marketplace. Our leasing program gets you the equipment/machinery you need without tying up your business capital.

## Great reasons to lease:

- Tax benefits by reducing income tax payables
- Keep your cash in your pocket (increase in cash flow)
- Transfer wealth to family members

## We offer:

- An early buyout with no penalties.
- The payments are customized to your business and cash flow needs.
- You pay exactly what is quoted with no hidden fees and no documentation fees with no surprises.
