International Credit Union Day-October 19

International Credit Union Day has been celebrated on the third Thursday of October since 1948. The day is recognized to reflect upon the credit union movement's history and to promote its achievements. It is also an opportunity to create awareness and share stories of how credit unions improve the lives of their members around the world. This year ICU Day will be held on **October 19, 2017**.

2017 Annual Golf Tournament

At Debden Credit Union we believe in giving back to the community and we sure had fun doing it! The DCU 2017 Annual Golf Tournament was held at the Big River Golf Course on August 27th with 31 teams. The \$25 entry for each golfer included: 9 holes of golf, lunch and refreshment, team prizes, and door prizes. The prize card draw raised \$146 that was matched by the Debden Credit Union totaling a \$292 donation for the Big River Golf Club. Thank you to everyone who joined us for our golf tournament.
